Kristin Sampson, GPHR, Director Global Human Resources for Providium Consulting will outline key considerations when planning both short and long-term foreign assignments for your employees. Topics covered will include immigration and taxation, compensation and benefits, housing and transportation, and relocation and repatriation. This information is equally valuable to “C” level managers, GM’s, and HR management as it is to the employee being sent on assignment.

For Human Resource Managers, this has been assigned 1.5 global credits from HRCI.

Cost is \$30. CNY IBA and CNYSHRM Members enter “member” for the code to receive your 20% discount.
